Just to notify everyone of the current **tentative time schedule** on this case, the following dates are important to recognize:

11/10/2009 - The 70 day deadline for final action on this case

11/05/09 - The last possible Planning Board hearing date within the mandatory 70 day review period

10/29/09 - Tentative Planning Board hearing date

9/29/09 - 30 day posting of the property

9/23/09 - last day for submission of new materials by applicant for consideration by the staff in formulating the recommendation to the Planning Board, if the hearing is on 10/29/09
